Call for Applications

Position available on local Source Protection Committee

Applications are being accepted for a representative from the environment sector.

The Ausable Bayfield Maitland Valley Source Protection Committee (SPC) oversees a science-based planning process, to protect municipal sources of drinking water, that is governed by the *Ontario Clean Water Act, 2006*.

The SPC reduces risk to local municipal drinking water sources through implementation of locally developed, provincially approved source protection plans.

Ausable Bayfield Source Protection Authority, on behalf of Ausable Bayfield Maitland Valley Source Protection Region, seeks applications, from the environment sector, to fill a vacancy on the Committee.

It is anticipated there will be up to four half-day meetings per year.
There is remuneration for time and travel.
